# Lost Our Home's Programs

## RESCUE FOR ABANDONED OR OWNER-SURRENDERED PETS

Foreclosure and eviction often lead to pets being abandoned without food, water, and shelter. We give these forgotten friends the comfort and care they need and the opportunity to find the new loving home they deserve. Pet parents who can no longer care for their animals can take solace in knowing that their pets will be safe in our shelter and that we will work hard to find them loving homes.

## TEMPORARY CARE PROGRAM

Lost Our Home has the most comprehensive program in the Valley that offers temporary pet care due to crisis situations. For pets in need of up to 90 (sometimes 120) days of shelter, medical care, food, and enrichment due to pet parents experiencing a crisis such as domestic violence, homelessness, foreclosure, eviction, medical needs (physical or mental health requiring stays in hospital or rehabilitation facilities), house fires, and other life challenges - we are here to help!

## DOMESTIC VIOLENCE

Statistics show 40% of women will not leave an abusive situation for fear of what would happen to their pet(s) if left behind, and 85% of women and children entering a shelter report that their abuser had threatened, injured, maimed, or killed the family pet for revenge or as psychological control. The fear is real. Yet only 3% of domestic violence shelters nationwide are able to accept pets. That is why Lost Our Home Pet Rescue specializes in helping domestic violence victims with their pets. Lost Our Home is here to provide temporary housing for their pet(s) until they find a safe, permanent home while they heal.

## PET FOOD BANK

No pet should ever go hungry, and no pet parent should have to suffer the stress of not being able to provide a basic necessity for their beloved pet. Through our pet food bank, we provide a safety net that helps pet parents who temporarily cannot afford to feed their pets
