## OUR MISSION

To provide compassionate services to pets *and* pet parents in crisis. We've recognized unmet needs in our community over the last 15+ years and have responded to them with our unique programs that differentiate us from other rescues/shelters in Phoenix.

## OUR LIFE-SAVING PROGRAMS

**RESCUE & ADOPTION** | We rescue pets abandoned due to eviction, foreclosure, financial hardship, etc. giving them the care they need and the loving homes they deserve.

**TEMPORARY PET CARE** | We provide up to 90 days of shelter, medical care, and support for pets while their owners navigate crises like domestic violence, homelessness, or medical emergencies.

**PET FOOD BANK** | Our pet food bank ensures no pet goes hungry by providing food and supplies to struggling pet parents in times of need.

**TEMPE FIRST RESPONDERS PARTNERSHIP** | Tempe police, fire, and other first responder organizations have 24/7 access to our shelter, ensuring pets in crisis always have a safe place to go.
