I found a stray pet... now what?

- Have the pet scanned for a microchip at a local veterinarian or shelter.
- Take a photo of the pet, it is best practice to block out any items the pet is wearing so you can use those to prove ownership. (i.e If the pet is wearing a purple collar the real owner will be able to tell you the color of the collar)
- Visit www.petcolove.org/lost and select “I Found a Pet”. Search the location of where the pet was found and add in the cross streets and upload a photo of the pet.
- Post the pet on Nextdoor (a smartphone app), which allows you to connect with neighbors and surrounding communities.
- Post the pet on Maricopa County Animal Care & Control’s website at <https://www.maricopa.gov/162/Lost-Found-Pet>
- Post flyers near where you found the pet, in all directions.
 - Include an easy-to-read title, such as “Found Cat” or “Found Dog”
 - Provide a brief description of the found animal (i.e female, brown tabby with white tail).
 - Leave your name and phone number
 - Omit one or two of the pet’s unique identifying marks so you can make sure you have the true owner of the pet.
- Post a picture of the pet to the Facebook groups “Lost Dogs of Arizona” or “Straydar” with the location they were found.

Can Lost Our Home Pet Rescue take the pet I found?

Unfortunately, we are not equipped as a stray intake facility. On rare occasions we are able to provide care and placement for strays brought to us by Good Samaritans, but this is the exception, not the rule.

All healthy strays over three months of age should be taken to Maricopa Animal Care and Control, for a stray hold to give owners a central location to claim their pets. For sick, injured or abused strays, you may contact the Arizona Humane Society. There is a surrender fee for both facilities.

If you can hold onto the pet, you can submit a surrender application at lostourhome.org under the “Get Help” tab to set up a time for an appointment and an evaluation of the pet. It is not guaranteed we will accept the animals, so we suggest reaching out to several rescues if that is the route you choose to take.
