Lost Our Home's Biggest Annual Fundraiser Bringing the Arizona Community Together to Support Pets & Pet Parents in Crisis

Every year with your help, hundreds of pet lovers come together to raise the critical funds necessary to support our shelter's unique life-saving programs so we can continue to help pets and pet parents when they need it the most!

Make Your Mark

With multiple brunch sponsorship and underwriting opportunities available, your support helps Lost Our Home Pet Rescue provide lifesaving care for abandoned pets while also keeping pets and families together through our Temporary Care Program, which offers up to 90 days of free care for pets whose families are facing crisis situations such as domestic violence, homelessness, medical emergencies, and more.

OUR LIFE-SAVING PROGRAMS

THAT YOU SUPPORT WITH A 2026 BRUNCH SPONSORSHIP

RESCUE & ADOPTIONS

Eviction/foreclosure or financial hardship often leads to pets being abandoned without food, water, and shelter. We give these forgotten friends the comfort and care they need and the opportunity to find the new loving homes they deserve. Pet parents who make the difficult decision to surrender their pet can rest assured their pets will be safe with us until they find a new forever family.

TEMPORARY CARE PROGRAM

Lost Our Home has the most comprehensive program in the valley that offers temporary pet care due to crisis situations. We offer up to 90 days of shelter, medical care, food, and enrichment for pet parents experiencing a crisis such as domestic violence, homelessness, foreclosure, eviction, medical needs, and other life challenges.

PET FOOD BANK

No pet should ever go hungry and no pet parent should have to suffer the stress of not being able to provide a basic necessity for their pet. Our pet food bank provides a safety net for pet parents who temporarily can't afford to feed their pets.

TEMPE FIRST RESPONDER PARTNERSHIP

All Tempe first responders (including Fire Department, Police Department, CARES 7, Parks Department, Marshall's & etc.) have access to our shelter 24 hours a day/365 days a year, so pets can always be brought to safety.

WE DO THINGS DIFFERENTLY AT LOST OUR HOME

We do more than just rescue pets...

Lost Our Home Pet Rescue specializes in helping domestic violence victims with their pets. Whether someone has a temporary place to stay or if they must go to a shelter, we are here to provide temporary housing for their pet(s) until they find a safe, permanent home.

According to the National Coalition Against Domestic Violence:

- 71% of women entering domestic violence shelters reported their abuser had injured, maimed, killed, or threatened family pets for revenge or to psychologically hold control over their victims.
- 87% of these incidents occurred in the presence of the women, and 75% in the presence of the children, to coerce or psychologically control them.
- 40% of battered women are unable to escape abusive situations because they worry about what will happen to their pets if they leave.

THE IMPACT WE'VE MADE IS UNPARALLELED
